Project Title: Replacement of two existing piles and expansion of deck area

Applicant Name: Mr. Scott Barnett

Affiliation: Bubba Gump Shrimp Co.

Project Summary:

For the replacement of two pilings which have failed (one on 700 Cannery Row & one on 720 Cannery Row). The method of construction will be the same as used in the past--concrete bases with wooded posts. It will also require the bracing of posts for lateral support and the replacement of the 2 x 8 deck above.

This Coastal Development Permit will allow for the construction of a 1,560 square foot deck addition over public tidelands at the Bubba Gump Restaurant on Cannery Row, Monterey. As proposed, this deck addition and lateral access will cantilever over intertidal area and will span the intertidal area between the existing restaurant and the adjacent structure at 700 Cannery Row. As stated in the Commission staff report, no new piers, footings, or other support structures will be placed in the intertidal area below the restaurant.

Location Description - Proposed:

Bubba Gump's restaurant, Cannery Row
